DETAILED ACTION

This is in response to the amendment filed on June 4th 2009.

Status of Claims

Claims 1-4, 6-8, 10-12, 14-19, 21-23, 25-27 and 29-31 are allowed.

Response to Arguments

1. Applicant's arguments, see pg. 10-14, filed 6/4/09, with respect to the rejections of claims 1-4, 6-8, 10-12, 14-19, 21-23, 25-27 and 29-31 have been fully considered and are persuasive. The rejections have been withdrawn.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Independent claims 1, 8, 16, 23 and 31 recite a system, method and medium for indicating the availability of a network resource. The claims require, among other things, determining a response time which is calculated from the average query completion time and a standard deviation of an average query completion time, a portion of the standard deviation of the average query completion time indicates an unacceptably long query time. This limitation is believed to be novel and non-obvious in view of the prior art. It is known to indicate a resource is available if a query time is less than a specified

Art Unit: 2442

response time (Eden) as well as determining the average query time using the response time (Asano). Using standard deviation to determine an acceptable range is also generally known in the art. However, the art does not teach using a portion of the standard deviation to indicate an unacceptable query time as required by the claims. Claims 2-4, 6-7, 10-12, 14-15, 17-19, 21-22, 25-27 and 29-30 are allowable based on their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JASON RECEK whose telephone number is (571)270-1975. The examiner can normally be reached on Mon - Fri 9:00am-5:30pm.
